

Junior Valley Golf School
Minnesota Valley Country Club – www.mvccgolf.com

Lead Instructor:

Stacey Christensen is the Director of Instruction at Minnesota Valley Country Club. He is a Member of the PGA and has over 20 years of teaching experience. He was voted Teacher of the Year in 2012 by the Minnesota PGA and has been voted Top Teachers in Minnesota from Golf Digest in 2013, 2014, 2015, 2016 & 2017.

School Goals:

To introduce and improve the game of golf to juniors in a fun and relaxed atmosphere. The game can be hard enough so let's have some fun while learning! Golf is a game for a lifetime that instills confidence, sportsmanship and values.

School Benefits:

- ◆ School T-shirt, Awards, Prizes and Certificate of Achievement, Refreshments & Snacks – Learn The Game Of Golf!

Instruction:

The golf school is designed to provide juniors with quality fundamental instruction necessary to develop junior golfers. Throughout the week, Stacey Christensen and the other Instructors will address all phases of the golf swing, including instruction on woods, irons, putting, chipping and sand play. Rules and etiquette along with sportsmanship will be stressed throughout the week.

What Is A Typical Day Like?

Fun! **Classes meet Monday through Thursday from 9:00 am until noon** - rain or shine. **Students meet in the West parking lot by the practice range each morning.** Groups rotate at a designated time to another instruction area with a new instructor. We usually have some fun contests at each station about midweek to give the student that competitive feeling and test their newly acquired skills and techniques.

On Thursday, the last day of class, all instructors and students meet at the south practice range for a 1/2 hour golf clinic and awards presentation. Parents are invited to the clinic and should be there at 11:30 a.m. on Thursday; don't forget to bring your camera! During the clinic, snacks and a beverage are served, students receive a Certificate of Achievement and awards are made to the students from the daily competitions that were held.
